SECTION A - ORUAITI SCHOOL CYBERSAFETY USE AGREEMENT FORM

The measures to ensure the cybersafe of Oruaiti School outlined in this document are based on our core values.

The school's computer network, Internet access facilities, computers and other school ICT equipment/devices bring great benefits to the teaching and learning programmes at Oruaiti School and to the effective operation of the school.

Our school has rigorous cybersafe practices in place, which include cybersafe use agreements for all school staff and students.

The overall goal of the school in this matter is to create and maintain a cybersafe culture which is in keeping with the values of the school, and legislative and professional obligations. This use agreement includes information about your obligations, responsibilities, and the nature of possible consequences associated with cybersafe breaches which undermine the safety of the school environment.

All students will be issued with a use agreement and once signed consent has been returned to school, students will be able to use the school ICT equipment/devices.

The school's computer network, Internet access facilities, computers and other school ICT equipment/devices are for educational purposes appropriate to the school environment. This applies whether the ICT equipment is owned or leased either partially or wholly by the school and used on *or* off the school site.

The school may monitor traffic and material sent and received using the school's ICT network. The school may use filtering and/or monitoring software to restrict access to certain sites and data, including email.

The school may audit its computer network, Internet access facilities, computers and other school ICT equipment/devices or commission an independent forensic audit.

SECTION B - RULES TO HELP KEEP ORUAITI SCHOOL STUDENTS CYBERSAFE

As a safe and responsible user of ICT I will help keep myself and other people safe by following these rules

2. I can only use the computers and other school ICT equipment for my schoolwork.
