

Oruaiti School

Caring | Confident | Responsible Life Long Learners

Wednesday 25th August 2021

Dear Parents, Caregivers,

Well, we are all in Level Four Lockdown for a bit longer.

I hope that you have all been able to access learning for your child/children through their class sites. If you have any problems with this, or have not yet been able to collect devices or learning materials to support children's learning, please contact your child's class teacher or

Diane Bates principal@oruaiti.school.nz or Kaiya Lafotanoa kaiyal@oruaiti.school.nz.

We know that being in lockdown can be a bit challenging at times and can cause anxiety in students as well as whanau. We have organised some [google meet catch ups](#) for the next few days where students and their whanau can come on just for a chat, and to talk about how they are going and what 'learning at home' looks like for them. These google meets will be held **everyday at 11am with Kaiya and Diane**.

Once again thank you for the support you are giving your children with their learning. It is great to be able to go online and see smiling faces. I think the students are really enjoying being able to connect with their classmates.

We will continue to keep you informed of any changes that are being made to our learning as we know of any further changes in Alert Levels.

Stay safe and look after each other.
